

# THE ELBA CLIPPER

TWICE-A-WEEK.

ONE DOLLAR A YEAR.

VOL. XIV.

ELBA, ALABAMA FRIDAY, JULY 1, 1910.

No 6

## Pink Notes.

Mr. Edward I. Jackson and wife have moved to town. Mr. Jackson first saw the light in old Guinnette Co., Ga., in 1855, moved to this county 22 years ago. Homesteaded, cut himself out a good farm. Is a man and who has borne the burden of the heat of the day and taken care of his substance. Can rest now under his own vine and fig tree, fifty two years a constant member of the Primitive Baptist church; a Bible and a newspaper reader and a good talker withal.

Mr. Champion was up this morning in his auto feeling fine. His friend, Hoke Smith, is in the race for the governorship again in Ga.

Mr. Alford, of Samson, who is just back from a trip to Old Mexico was visiting friends here yesterday. His advice is to stick to Alabama.

Mr. Bob Dabney, from Milligan, Fla., who was up with us for a day or so shaking hands with old friends.

Mr. Coker, from Montgomery, is in town this morning loading a car of lumber.

Two new stores going up and the railroad a coming—keep your eye on Pink.

Jesse T. Dean and Green Fuller left this morning driving a good going pair black horses for a little excursion on the other side of Pea river. Good luck to you boys.

Mr. Joel Ward left Saturday to take a school in Dale.

## FIDDLERS CONVENTION.

Enjoyable Occasion at Elba Yesterday. Yesterday was the day for the fiddlers convention, and there was in attendance a big crowd. The convention was called to order, and Prof. G. C. Bowdon was chosen as chairman. Messrs. Will Brunson, John Reeves and Mat Parrish were selected as judges. A goodly number of fiddlers fiddled, and the music was "fine and dandy."

Those who played and the prizes awarded them are as follows: Jim King, suit clothes. Nettie Peacock, hat. Prof. H. L. Spivey, one pair shoes.

A. B. Lawson, one dollar's worth of coffee.

W. J. Morris, 100 pounds flour. Lanford Spivey, pair pants. Ed Goodson, dozen fruit jars.

J. Davis, fountain pen. Sam Haed, pair of shoes.

Pat Young, one gold ring. J. T. Young, two dollars of goods.

C. H. Cain, hat. B. G. King, hat.

There were prizes enough to go all round.

A nice sum was received from the ten cent admission charge, and this will go to the Confederate Monument fund.

## Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Sore Nipples as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by All Dealers.

## Indian Peace Pipe.

Mr. C. H. Cain, who farms at Victoria, had in town yesterday one of the famous Indian "peace" pipes used by the Indian chiefs many years ago while this country was in the red man's hands.

The pipe was plowed up on the land of Mr. J. F. Patterson. It is of stone, about four inches deep, and probably an inch in diameter at the mouth. The glaze for the stem to fit in was the same length of the pipe bowl. The whole pipe was made from a single piece of stone, and was evidently the result of much labor and care. It is a great curiosity and excited a good deal of comment from all who saw it.

It is well known that many of the Indians of this section made headquarters about where Victoria now is, and that they met here many times to hold council. This pipe was evidently lost after one of these gatherings, or perhaps it was buried with some great chief who wished to take it to the "happy hunting grounds" with him.

## Goes to Elba For Prisoner.

Troy Messenger.

Deputy Gus Davis left this morning for Elba to take into custody W. J. Winburn, a white man who is charged with having stolen some horses, etc., from Eugene Baker some months ago. It is stated that Winburn gave the Coffee county officers resistance when they arrested him, but Officer Davis apprehends no trouble with the prisoner.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets cleanse and invigorate the stomach, improve the digestion, regulate the bowels. Give them a trial and get well. Sold by All Dealers.

## Double Head News.

Mr. Editor:—As my last letter escaped the waste basket I will come again.

Rain, as usual, is progressing nicely. While I am always willing to let the Lord have his way his way, as he knows best; still I think we have had enough rain just now.

The health of the people in this community is very good though Mr. Eddie Head has a case of fever.

Our singers met this afternoon at Double Head school house, there being a very good crowd present. After the singing we were entertained at the home of Mr. and Mrs. A. H. Peacock. Miss Nettie Peacock, who has just returned from Troy, gave us some fine music. There were about thirty people present, among them being Mr. Lee Hudson and Miss Alva Hudson, who made some of the sweetest music we have ever heard.

Several of us are expecting to attend the fiddlers' convention at Elba.

A great many of our young people are expecting to take a ride on the 4th and go to see the Enterprise singers.

Grace.

## Stomach Trouble.

Many remarkable cures of stomach troubles have been effected by Chamberlain's Stomach and Liver Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. Sample free at all Dealers.

Hook worm specialists are now traveling over the south and treating many cases of this disease. One or more of these specialists will be in Elba soon, and it would be well for people who think they are infected by hook worm to report to this physician. There seems to be an idea prevalent that it is discreditable to have this disease. This is of course, a mistake. There is no more disgrace attached to hook-worm than to any other infectious disease. It is a reflection however, to have mind enough to want and have it treated when a positive cure is known, and the treatment will cost nothing.

## Base Ball.

Yesterday afternoon Elba played a nice game of ball with Brookton, on the home diamond. The game resulted in a score of two to one in Elba's favor.

In the morning Elba played the Ham Hard Hitters, the score being Elba 15, and Ham Hard Hitters 14.

Tomorrow (Saturday) the team will play the Pea Creek boys.

Lame shoulder is almost invariably caused by rheumatism of the muscles and yields quickly to the free application of Chamberlain's Liniment. This liniment is not only prompt and effectual, but in no way disagreeable to use. Sold by All Dealers.

Ten cases of typhoid fever have recently been developed in Montgomery and the authorities there are concerned as to the cause. The house fly is thought by many to be spreading the disease.

Mrs. Mary Goddard, who is said to be the oldest Quaker preacher in the world, celebrated on March 10 her 100th birthday at her home in Durham, Me. This was the first time in twenty odd years that she had been unable to preach on her birthday in the Friends' meeting meeting house in Durham.

## Fine Meeting.

The revival meeting in progress at the Baptist church is full of interest, and much good is being accomplished. Rev. Mr. Gavin, of Enterprise, is doing fine preaching. Sunday he went home to preach to his flock, and in the morning Rev. H. B. Urquhart filled the pulpit at the Baptist church, giving way on his appointments at the Methodist church and at night, Rev. D. P. Lee preached. Each preached good sermons.

Among those who have united with the Baptist Church are these: Mrs. Wiley Bullard. Mr. Charlie Lee, Misses Elizabeth Buck, Mary Butts, Rose Croxton, Jessie Dubose, Lena Felder, and Reggie Moody. A. B. Bullard, Hickman Riley, Archie Dubose, Ex Parker, Ovie Allred.

The baptizing will take place this afternoon in the river at six o'clock.

to-night the last service of the meeting will be held.

## Believes in Hell.

No one need attempt to show Editor Doty of Andalusia that there is no hell; he has some folks picked out that ought to go there, and are headed that way. There is no other fit place for them; there is no way to figure out the laws of compensation, of right and truth triumphant, of wrongs righted, of the immutable laws of God vindicated, &c.,—there just must be some sort of hell—a real tormenting, painful hell—and the assurance from the Book and from his own observation is all that keeps Bro. Doty from despairing. We agree with Bro. Doty. If we'd been thinking the other way, his article on the Atlanta millionaire who neglected his sister, would have made us wobble on our belief. Apart from all else, the idea of hell fits Col. Wimpey, as the Andalusia Star shows him up.

## TWO OFFICERS KILLED.

Desperado Defies Arrest and Uses Gun With Deadly Effect.

W. H. Bostwick, a man noted for his fighting proclivities, has killed two officers, a chief of police and a deputy sheriff, in the western part of Irwin county, Georgia. Bostwick barricaded himself in a log house in the western part of the county and, heavily armed, fired repeatedly upon a sheriff's posse, with the result above stated.

The desperado swore he would not be arrested. The question of appealing to Governor Brown for troops to take charge of the situation has been under consideration.

GENERAL NEWS. Nashville, Tenn., ad- vices say that it is statistically one of the highest authorities that Bishop W. B. Murray, of Mississippi, one of the new bishops of the Methodist Episcopal Church, South, who was elected a member of the board of trustees of Vanderbilt university, has announced his intention of declining that election. It is also said on equally as high authority that it is doubtful whether Bishop Lamo, who is now in Scotland, and who was also elected one of the trustees, will accept.

The biennial canvass in South Carolina from county to county by candidates for state offices and congress in the Democratic primaries commenced at Sumter. There are six candidates for governor, C. C. Featherstone, Thomas G. McLeod, John G. Richards, Jr., Cole L. Blease, Frederick H. Hyatt and John T. Duncan. Of these Featherstone, Hyatt and Richards urge statewide prohibition. The others favor local option as at present.

Clarence Compton, a 14-year-old boy, a complainant against the losses of the Georgia railroad in a suit for \$10,000 for the death of his mother, Mrs. Emma Compton, who was knocked from Walnut creek trestle and instantly killed last March, has been awarded \$2,500 by the jury, at Macon, Ga.

## A BOATING PARTY LOSE THEIR LIVES

Georgia Middy Is One of the Unfortunate Victims.

More than a score of middies are searching the waters of the Severn river for the bodies of Mrs. Nellie E. Bowyer, widow of Joseph Bowyer, and daughter-in-law of Superintendent John M. Bowyer, of the naval academy, and Midshipmen Gribaby Thomas, of Union Point, Ga., and Sherman M. Nason, of Newport, R. I.

The three left the naval academy in a sail boat, and the boat was found drifting a few hours later. In it were portions of the clothing that had been worn by members of the party.

It is believed that the midshipmen took Mrs. Bowyer to the bathing shore used by the naval academy, and attempted to teach her to swim, and that she getting beyond her depth, all three were drowned.

Mrs. Bowyer was a Miss Dean, of Pittsburgh, Pa. Her husband, Joseph Bowyer, died a couple of years ago, and she has ever since made her home with his parents. She was 28 years of age. Each of the midshipmen were about 20 years old, and both were athletes and members of the academy rifle team.

## STORY OF PROSPERITY.

More Money Earned by Georgia Railroads Than Ever Before.

A glance at the advance sheets of the report of the Georgia Railroad Commission, now in the press, shows that the railroads of the state carried more money during the last fiscal year than in any year during their history.

The same story of prosperity is told by the returns from all classes of public utility corporations. Railroad mileage increased; cotton compresses made nearly a half million dollars; street railway, light and power companies have made \$2,000,000.

The telephone companies made practically \$1,000,000 over and above their operating expenses. Every indication points to the fact that the wheels of industry are whirling faster than ever, that railroad construction work is being resumed at a rapid rate and that improvements and betterments are fast being made.

## SENATOR McENERY DIES.

Prominent Louisiana Statesman Passes Away at New Orleans.

United States Senator Samuel Douglas McEnery died at his home in New Orleans, La.

He had for many years been prominently identified with public affairs. Senator McEnery arrived from Washington at New Orleans suffering from an attack of indigestion. He was placed in a carriage at the railroad station and taken to his home in St. Mary's street, where physicians were hastily summoned. The senator rallied somewhat after being treated and showed marked improvement, but later his condition took a turn for the worse and he lapsed into unconsciousness, in which state he passed to the beyond.

Senator McEnery was in his 74th year and his health had not been good for several years.

After his arrest on a charge of arson, at Los Angeles, Calif., Jacob Gladman, a young Russian, confessed to having fired the residence of Mrs. T. B. Foote, near where he lived, so that he might have an opportunity to walk through the flames. Suspicion was directed toward Gladman by the discovery that he was suffering severely from burned feet. "Walking through fire with my feet bare is a pleasure to me," he said. A lunacy commission will examine the prisoner.

## CHINTOWN TONG WAR.

Renewal of Hostilities Among Orientals in New York City.

Two Chinamen are dead, a third is badly wounded in a hospital and seven Orientals are under arrest as the result of the renewal of hostilities in the never-dying Tong war in Chintown. The dead are Shu Poo and Sen Jink. Chu Pan, the third man to be struck by the flying bullets, is expected to recover. He is under guard in the hospital. Immediately after the shooting a big force of police was thrown into Chintown, which was closed to outsiders, and the district is being stringently guarded to prevent a renewal of the warfare.

"It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by All Dealers.

Coffee county Republicans do not seem to be taking much interest in party politics of the state. No delegates to the state convention have been appointed that we have heard of, and the county convention has not been called.

Some representative has announced that a bill will be introduced in the next Alabama legislature to put all solicitors general on salaries. If it is there is going to be some lobbying done against it that will bring thoughts of good old convention times.

OVER BILLION SPENT.

Expenditures by the Last American Congress.

More than a billion dollars was appropriated at the present session of congress, if continuing appropriations are incorporated in the totals of the general appropriation measures.

Definite figures concerning the appropriations will be issued from the house and senate committees within a few days. Insofar as the figures could be obtained, from measures which underwent changes in the last hours of the session, the total of the appropriations exclusive of continuing appropriations was \$394,086,943.

The amount of the continuing appropriations for the last fiscal year was \$100,000,000. It is said to say that it will not be less for the next fiscal year, and the grand total therefore will aggregate at least \$144,086,943.

The appropriation measures for the fiscal years 1909-10, exclusive of continuing appropriations, carried \$882,918,715, while those of the fiscal year of 1908-09 carried \$542,028,248.

The boasts of congressional leaders that fully \$50,000,000 would be saved in the appropriations for the next fiscal year were not realized.

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is the point that all should watch. Keep your body clean and free from obstructions. To do this you must have two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After you get out that cathartic, salts and such things, you are for a day, but then you are worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the simplest and best way to be clean is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowels to do again work naturally at certain hours—then buy it of your druggist at 25 cents and one dollar a bottle, just as so many others are doing. They send you a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form. Indigestion, sour stomach, acid headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many famous men like that of Mr. Daniel Frierer, Unionville, Ind.; J. F. Daniels, Saratoga, Pa.; and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family. Write to the stomach, liver or bowels absolutely free of charge. For further information, a letter and he will reply to you in detail. For the free sample bottle send your name and address on a postal card or otherwise. For further request the doctor's address is Dr. W. B. Caldwell, 1550 Caldwell building, Monticello, Ill.

## A Storekeeper Says:

"A lady came into my store lately and said: 'I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful. If only women knew what a comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was small smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost.'"

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the door laden with fuel that you can't store. Just light a Perfection Stove and immediately the heat from an intense blue flame shoots up to the bottom of pot, kettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen when one of these stoves is used.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

**New Perfection WICK BLUE FLAME Oil Cook-stove**

It has a Cabinet Top with a shelf for keeping plates and food hot. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

## HOKE SMITH HAS ENTERED THE RACE

Will Be Candidate For Governor of Georgia.

Former Governor Hoke Smith will oppose Governor Joseph M. Brown in the race for Governor of Georgia.

HON. HOKE SMITH.

Once more the leaders of the two wings of the democratic party in this state will clash in political combat and will submit their differences to the judgment of the people.

Once more the issues over which the present chief executive flew the flag of triumph in 1908 will be threshed out before the public and brought to final solution at the polls.

Former Governor Smith has declared pointedly and emphatically that he is in the race for governor. Immediately after he announced his decision

he made the race, Judge H. H. Perry, of Gainesville, who has been in the field with the flag which Governor Smith carried in 1906 and 1908, informed the latter that he had retired from the race in his favor, leaving the issue to be fought out by the acknowledged leaders of the two political divisions in the state.

Governor Smith's decision to make the race for governor against Governor Brown was made after he had issued two separate statements, one declaring that he could not make the race because of personal reasons which he did not discuss, and it was made after persistent urging on the part of his friends during the past two days that he should again become a candidate.

Following the reading of Governor Brown's message in the legislature Wednesday great pressure was brought to bear upon the former chief executive by his supporters in the legislature and out of it, who told him that Governor Brown's demand for a repeal of the registration law and for other legislation to which the former governor is opposed, made it imperative for him to take the field in defense of those principles. Yielding to these arguments the former governor decided to enter the race.

DIAZ AGAIN ELECTED.

Chosen President of Mexico and Corral Named as Vice President.

General Porfirio Diaz was Sunday elected president of Mexico, and Ramon Corral, vice president, by an overwhelming majority, according to returns received at Mexico City from all over the country.

The anti-electionists' ticket, headed by Francisco I. Madero, now under arrest in San Luis Potosi, received about 2 per cent of the vote cast in Mexico City, according to an unofficial statement. It is estimated that between 40,000 and 50,000 votes were cast in the capital.

The city was free from disorder of a serious nature, though at several voting places friends of the candidates running the administration party nominees had personal encounters with officers in charge.

Eight hundred electors were chosen in Mexico City, of whom only fourteen are of the anti-electionist party. From telegrams from various parts of the republic the same proportion seems to prevail throughout the country.

## JEFF LOSES TO JOHNSON.

An Easy Victory For The Black Slugger.

The infamous fight of Jeffries and Johnson was pulled off at Reno, yesterday and ended in the fifteenth round with the complete knockout of Jeffries.

Jeffries was out-class from the start and never had a chance to win after the fifth round.

And now the heavy weight champion pugilist of the world is just a plain, black, Texas nigger.

Heavy Pocket, and Work Going Fast.

Judge Hen covered the fight, far semi-annual jury term of county court yesterday morning at 9 A M. A number of cases have already been disposed of, and so far there has been no lost motion, but the court has been busy all the time. The docket is unusually heavy and it seems likely that this will be the biggest term of court ever held in the county.

COUNTY COURT.

Mr. W. H. Brannen.

Dead.

This morning at 2 o'clock Mr. W. H. Brannen died at the home of his parents, Mr. and Mrs. C. L. Brannen. He had not been in good health in several years, his ailment having been some trouble of the knee-cap growing out of a fall received some years ago while skating. This, with nervous troubles, finally resulted fatally.

Mr. Brannen leaves surviving him besides his parents Hon. E. R. Brannen, of Troy, Mr. A. C. Brannen, of Roanoke, Mr. C. C. Brannen, of Elba, brother, and Mrs. Youngblood, - of Troy.

Frank Wood, of Brundidge, Mrs. W. R. Lane, of Enterprise and Saphronia Brannen, of Elba sisters.

Mr. Brannen was deservedly popular both at Elba and at his former home Troy. He was a bright Knight of Pythias. Prior to his ill health he was active in military circles, having served several years as Captain of Company H, First Regiment, A. N. G., and was instrumental in reorganizing the National Guard after the demoralization that followed the Spanish-American war.

The remains leave Elba to-day on the noon train for Troy, where the funeral will take place to-morrow morning.

The remains left on the noon train to-day, being escorted by Riverside Lodge No. 156, Knights of Pythias. The business houses and offices of the town were closed from 11 till 12 o'clock as a tribute of respect to the departed.

Besides relatives Mr. H. J. Clark, and Misses Nettie Flournoy and Debora Blocker accompanied the remains to Troy; the escort of Knights of Pythias was composed of L. C. Powell, T. E. Wright, G. C. Bowden and M. S. Carmichael.

Mrs. Christian Blackman.

Mrs. Christian Blackman died at her home near Victoria yesterday at the ripe old age of 83 years.

She was preceded to the other side by her husband, Uncle Zack Blackman, only a few years. She was a splendid christian woman whose life and death make up one of the bright chapters of her community.

The funeral will take place to-day at Victoria.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all stages, and that is Catarrh.

Hall's Catarrh Cure is the only positive cure now known for the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by rebuilding the constitution, and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
